**BILINGUAL/ESL THREE-YEAR PROGRAM PLAN
SECTION I: GENERAL ASSURANCES**

A. General Assurances Based on N.J.A.C. 6A:15 [Mark "X" for each if in compliance]

1. X The bilingual and/or ESL program is operated in compliance with New Jersey statutes and regulations.
2. X The ESL curriculum has been developed, aligned to the WIDA English Language Proficiency Standards for English Language Learners, and adopted by the local board of education.
3. X Within 30 days of the beginning of the school year, the parents/guardians of ELLs are notified annually by mail in their dominant language that their child has been identified as eligible for enrollment in an ELL program and of their right to decline program services in accordance with New Jersey regulations. In addition, parents are notified by mail in their dominant language when a determination has been made to exit a student. Parents/guardians also receive individual student progress reports as indicated in N.J.A.C.6A:15-1.13.
4. X A budget for the bilingual and/or ESL program is developed that specifies how state/local funds are directly related to the bilingual/ESL program instructional services and materials.
5. X The district uses a screening process, initiated by a home-language survey, to determine which students must be tested for English proficiency.
6. X All ELLs are identified for services with an approved ELP assessment (list can be found at http://www.nj.gov/education/bilingual/resources/prof_tests.htm). All ELLs in grades K-12 are tested annually with ACCESS for ELLs, the state English language proficiency assessment.
7. X ELLs who are determined to be eligible for special education and related services or eligible for speech-language services continue to receive bilingual/ESL services. These students are exited from ELL status using multiple measures, not through an IEP determination.
8. X Students are monitored for at least two years after they exit ELL status. Former ELLs are evaluated for academic progress to ensure they have not been prematurely exited, gaps in content knowledge due to ELL program services have been addressed, and ELLs are meaningfully participating in the standard instructional program comparable to their English-speaking peers.
9. X When parents/guardians refuse program services, alternative supports are provided for these students (e.g., training the student's classroom teacher in sheltered instruction) and an annual ELP test is administered until the student has been exited from ELL status.
10. X The district uses the following multiple indicators to determine which students are ready to exit a language assistance program:
 - Department-established standard on an [English language proficiency test](#)
 - Classroom performance and the student's reading level in English:
 - Judgment of the teaching staff member(s): and
 - Performance on achievement tests in English.
