Submitting a "Technology Work Order Request" via SchoolDude

Open Google Chrome and go to the web site http://www.denville.org. Select the tab for "Staff", then select "Technology Work Order Request". If you're a current SchoolDude User enter your email address and your password to sign in. If you forgot your password, then select the "Forgot Password" link and follow the instructions. If you never submitted a SchoolDude request, select the "Register Here" button and follow the instructions. When filling out a ticket, please try to be as descriptive as possible. The final password needed for submitting the ticket is: technology.
