

ATTENTION DENVILLE FAMILIES!

YOU ARE INVITED!

THE DON'T PRESS SEND CAMPAIGN
FAMILY PRESENTATION

JANUARY 31ST AT 7PM - VALLEYVIEW GYM

Please join us for a meaningful presentation which provides participants with guidelines and strategies to safely and kindly navigate the online world. The goal of the Don't Press Send Campaign is to strive to enlighten today's students by starting the conversation about digital wellness and the importance of maintaining their emotional well-being through mindful practices. We are eager to partner with our Denville families in this endeavor! (Students in Grades 4-8 will receive the presentation in school; therefore, it is at the discretion of parents/guardians to bring their children to the evening event.)
